

Workshop D

Funding of Supported Internships

Workshop D

The Workshop is, firstly, an opportunity for delegates to raise points of clarification and concern relating to their perspective/involvement. Further, it will explore ways in which **effective partnerships** and a **clear vision** and **model** for supported internships can be brought about, and help participants identify how they can influence the processes needed for sustainable funding.

Scope

Education

Funding – key players and issues

- **Education Funding Agency**
- DWP
- *Local Authorities (2)*
- Other funding sources
- Start-up and Sustainability
- Knowing the costs – and interests
- The model, delivery partners and progression through the programme
- Who interfaces with funding agencies?

Education Funding High Needs

- Post-16 funding: 'lagged principle'
- Paid this year on last year's numbers
- Applies to first c£10k per learner (Elements 1 and 2)
- Above c£10k – Element 3 (top-up) funding
- Controlled by LA and given in-year
- Supported Internship illustrative cost £13k can be met

Wider Issues

- Who is pressing for them?
- Age of Interns
- Commissioning
- Schools (Technical Issues) and Colleges
- Employers: In Kind
